

FAMILY RESERVE

MERLOT

The Reserva de Familia line features wines where the terroir expresses itself candidly, with pure varietal aromas and a balanced and elegant tannic structure. Barrel aging imparts complexity and longevity to the wines.

"Malma" is a word of the original inhabitants of Patagonia, meaning pride. Pride in the journey taken and in all that has been achieved. Bodega Malma, owned by the Viola family, pioneers in viticulture in San Patricio del Chañar, lives up to its name with the pride we feel in how our wines express the terroir and the dedication we put into their production.

VINEYARD

Region: San Patricio Del Chañar - Patagonia Argentina.

Latitude: 39°S.

Climate: Wide temperature range. Low atmospheric humidity; constant winds and scarce precipitation.

Soil Type and Composition: Modern river terrace. Clay-loam soils, well-drained, with an abundance of coarse fragments in depth.

WINEMAKING

Varietal: 100% Merlot.

Fermentation: Traditional, 16-20 days with controlled temperature of 24-26°C.

Aging: 4-6 months in contact with oak, 40% in conservation.

TASTING NOTES

Color: Ruby with violet highlights.

Aroma: Plum jam and black fruit. Subtle and friendly oak complements the fruit and freshness.

Palate: Full-bodied, with robust yet gentle tannins, very rounded and vibrant. Long and persistent finish.
