

*Gifting Catalogue 2024*

  
**HOLY**  
**WINES**

Hello...I proudly present the 2024 Gifting Catalogue featuring a collection of hand-picked products that apart from being niche, also come from small producers that strive for high quality and authenticity. My aim is to always offer top quality products with an efficient service regardless of the budget.

My expertise and more importantly my passion, guarantees you the ideal stand out gift this year.

Each box or collection is chosen with a theme in mind, whether it is the estate, the style of the wines or the country of origin; but what they all have in common is the high quality/price ratio they all offer and that they're all exclusively imported in Malta by Holy Wines. You may also pick and choose from my range of wines and food items in order to create a customised box of your preferred budget. For the first time, I'm including some artisanal local foods from other passionate individuals I have encountered this year.

Each year the range of organic, natural & vegan options are always on the rise; this year, most hampers will also be packaged in custom made wooden boxes! In my bid to be more sustainable, these boxes are made from the wooden pallets the wine is shipped on to my warehouse.

Just send your orders on [adrian@holywines.com.mt](mailto:adrian@holywines.com.mt) or call me on +356 7953 9865 to discuss further customised options. Revolut, cheques, internet banking transfers, BOV mobile payment, contactless card payments & cash are all accepted. I also offer gift vouchers for €20, €30 and €50 should you have trouble choosing.

Love is what we really need this Christmas,  
but a box of wine is surely the next best thing.

xx
